Jo,
The 1900 pages with your flags and comments.
We have your exception list.
Thanks

Joanna
Good Morning , I have not received the test page that we talked about yesterday. So if you sent it, it did not work.
[Nonresponsive based on revised scope] and I will be getting together in the next couple of days while we have some down time to get the exceptions list completed. [Nonresponsive based on revised scope] is asking that we have that list before we start, let me know what I can do to help.
Thanks for your help
